

Never miss an opportunity to present your son in a positive way. **TWO THUMBS HIGH**

This is a web site supported by parents and schools to showcase students who have worked hard. By creating a web page for your son, you can introduce all he has done to family and friends and it is EASY to do. The cost is minimal and Cathedral receives a percentage of the income from the Two Thumbs High web site. Think of it as an electronic greeting card. Every time you use the CODE NUMBER you are donating to the work being done at CHS. It is worth a try, especially for our Seniors!
